

Dear Friends and Guests,

Along with Best Western Hotels, the Calgary Plaza Hotel holds the health and safety of our guests and team members as our immediate and top priority. To ensure that we are doing our part to help prevent the spread of COVID-19, we have made difficult decisions to adjust our services and amenities and have temporarily closed our Fitness Centre and Swimming Pool. Additionally all buffets have been cancelled, including our daily Breakfast Buffet and Sunday Brunch. Shuttle services to and from Calgary International Airport are also temporarily suspended.

The operation of the hotel as well as Barrington's restaurant remains open. Throughout the guest rooms and hotel in general, we are practicing the highest levels of sanitization and hygiene to ensure the safety of all.

For updates and additional information at any time please do contact us at 403-248-8888 or visit our website at [calgaryplaza.com](http://calgaryplaza.com) at any time.

We thank you for your loyalty and continued support of Best Western Hotels and the Best Western Premier Calgary Plaza Hotel, and look forward to serving you once again in the near future.

Sincerely,

Management & Staff
